**12-7 p.m.**

Sign-up and get set for the Taste of the Arts festival-a celebration of cultural inspiration designed to promote our wide variety of arts organizations to thousands of people from the region around greater Fort Wayne. Take advantage of this free opportunity to reach a new audience!

Admission to the festival is free. The festival features booths for arts organizations to have hands-on activities and to distribute their information or season schedules. If your organization would also like to participate on stage, please contact us to sign up for stage time.

Other festival activities include performance stages, Art Marketplace and a variety of food vendors. Through sponsorships and food sales, this event is a fundraiser for arts education grants.

This is a rain or shine event. If the forecast calls for severe weather or extended downpours, we are planning indoor locations for you --let's hope for good weather!
