**PERFORMERS ADVANCE SHEET**

Sign-up and get set for the Taste of the Arts festival-a celebration of cultural inspiration designed to promote our wide variety of arts organizations to thousands of people from the region around greater Fort Wayne.

Admission to the festival is free. The festival will host stages for arts performances, booths for arts organizations to have hands-on activities and to distribute their information or fall season schedules and a variety of food vendors. A marketplace will feature local art for sale. Through sponsorships and food sales, this event is a fundraiser for an arts education grant program for schools.

This is a rain or shine event. If the forecast calls for severe weather or extended downpours, we are planning indoor locations for you --let's hope for good weather!
